Congressman David Rouzer  
7th District, North Carolina  
2333 Rayburn House Office Building  
Washington, DC 20515

Congressman Rouzer,

It is with great pleasure to be addressing you on behalf of the residents of the Town of White Lake. As you are aware, the Town of White Lake continues to strive to be a desired resort community for families to return year after year to spend their summers, as well as becoming a desired place for our year-round residents to call their home. In preparation for this continuous growth, we are seeking an expansion of our wastewater collections system.

The expansion of this wastewater collection system will aid in the development of a community that will be equipped to support future economic growth in our tier one county.

Your assistance is pivotal in allowing our community to continue our current support of our residents, visitors, and future investors.

We appreciate your continuous support for the Town of White Lake and look forward to partnering with you in making this project possible.

Respectfully Yours,

Goldston Womble, Mayor  
Town of White Lake, NC
