The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
United States House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Town of Tabor City Railroad Improvements Project in Fiscal Year 2026. The entity to receive funding for this project is the Town of Tabor City, located at 1108 E. Fifth St., Tabor City, NC, 28463. The funding would be used to build additional railway infrastructure inside the Tabor Industrial Park to promote economic activity and industrial growth within the park.

The project is an appropriate use of taxpayer funds because not only will it improve vital infrastructure used by the community, but it will also create 10-20 jobs for the local economy.

The project has a Federal nexus because the funding provided is for purposes authorized in Section 22907 of title 49, United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
