Dear Chairwoman DeLauro and Ranking Member Granger,

I am requesting \$68,000 for repairs to be made to existing sewer lines for the City of Clinton in fiscal year 2022. The entity to receive funding for this project is the City of Clinton located at 221 Lisbon Street Clinton, North Carolina 28328.

The funding would be used for a sewer main that needs to be rehabilitated due to permeation of petroleum based products into the sewer main. The petroleum based liquids in the sewer main produced a potentially hazardous condition in the sewer main as well as the pump station located downstream. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,
