Dear Chairwoman DeLauro and Ranking Member Granger,

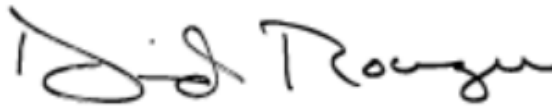

I am requesting funding for the Highway 74/76 Industrial Parks Water Tank Project in Holden Beach, North Carolina in fiscal year 2023.

The entity to receive funding for this project is the Brunswick County, North Carolina located at 30 Government Center Dr. NE Bolivia, North Carolina 28422.

The funding will support construction of a 1,000,000-gallon elevated water storage tank that will supply the water storage necessary to provide adequate fire protection within the industrial parks. Brunswick County has already fully funded the project's design and engineering, which is complete, and construction could begin within three months of the receipt of funds.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,
