Dear Chairwoman DeLauro and Ranking Member Granger,

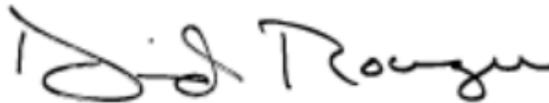

I am requesting funding for Whiteville Road Force Main Project Design and Engineering in Brunswick County, North Carolina in fiscal year 2023.

The entity to receive funding for this project is Brunswick County, North Carolina located at 30 Government Center Dr. NE Bolivia, North Carolina 28422.

The requested funding will advance construction of the Whiteville Road Force Main Project by funding to completion the project's design and engineering. The Whiteville Road Force Main Project will result in the construction of approximately 52,000 feet of 12" force mains from U.S. Highway 17 along Whiteville Road in Brunswick County. Once constructed, the additional transmission capacity created by the project will expand wastewater services into currently unserved areas. The project is located in and will serve a HUD Qualified Census Tract (37019020505). The additional capacity is also needed to provide wastewater services to growth areas in the southwest section of the County and accommodate anticipated economic development resulting from construction of the Carolina Bays Parkway/S.C. Highway 31 extension.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,
