Dear Chairwoman DeLauro and Ranking Member Granger,

I am requesting funding for the Greensboro Street Lift Station #2 Hazard Mitigation Upgrade in Holden Beach, North Carolina in fiscal year 2023.

The entity to receive funding for this project is the Town of Holden Beach, North Carolina. The point of contact is Town Manager, David Hewett, 110 Rothschild St. Holden Beach, North Carolina 28462.

The funding will go towards the design and construction of stormwater mitigation infrastructure along eight miles of Ocean Boulevard to address existing and anticipated stormwater flooding. The project will reduce damages caused by flood events, thereby saving taxpayer money, and is critical to preserving life and safe passage of residents in the event of an emergency.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,
