Re: Elizabethtown Grant Application

To whom it may concern,

We would like to thank you for the past support of the aerospace manufacturing grant and support in fiscal year 2024. This industry continues to grow and looks very promising for Elizabethtown Airport. The recent announcement of Vulcan general aviation aircraft manufacturer locating in Elizabethtown was a major factor in developing the aerospace incubator. The Town is in very much support of this project for jobs and industry development that will help shape the future. This announcement will bring over 100 jobs and millions of dollars of revenue to this region. This along with Sovereign Aerospace announcement early last year is attracting of aerospace companies to this region. We hope that you would support the 2.25 million requests for Community Funding Project in the fiscal year 2025. Thank you for your past support and we look forward to hearing from you.

Sincerely,

Mayor Sylvia Campbell
