Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Brunswick County Sewer Pump Stations Rehabilitation Project in fiscal year 2024. The entity to receive funding for this project is Brunswick County, North Carolina located at 30 Government Center Drive, NE Bolivia, NC 28422 P.O. Box: 249. The funding would be used to rehabilitate and upgrade up to 11 major sewage pump stations and lift stations within Brunswick County.

The project is an appropriate use of taxpayer funds because it will ensure the reliable and safe wastewater collection and transport system not only for the local community but for the businesses and industries, which will help support economic development on the regional and state level. The County is committed to providing a \$3,200,000, or 52 percent, match and is committed to obligating the appropriated funds within 12 months after receipt.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

David Rouzer  
Member of Congress
