

Congress of the United States  
House of Representatives

March 24, 2023

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Pembroke Wastewater Treatment Plant Expansion fiscal year 2024. The entity to receive funding for this project is the Town of Pembroke, North Carolina located at 98 Union Chapel Road, Pembroke NC 28372 P.O. Box 866. The funding would be used to expand the town's wastewater treatment plant to include a third oxidation ditch and will add capacity to the Town's Waste Treatment Plant.

The project is an appropriate use of taxpayer funds because wastewater expansion will allow the town to accommodate its growth and support the University of North Carolina at Pembroke, a critical economic driver of the town.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

David Rouzer  
Member of Congress
